## Jordan

"So far this experience has been amazing. I feel like I have made life-long friends with people I really admire. Thailand already feels like a very special place to me. I think I'll fit in well here!"

## Ashley

"I learned more than I ever imagined during the internship and was constantly pushing past my comfort zone. I was impressed by the preparation to live in Thailand, not just to teach. Wonderful experience, I would recommend to anyone!"

*"You get a sense that the team really care. Very quickly we all had interviews and job offers started to fall in. I found it be a very smooth process. It's not all work - while you are learning all things teaching, the orientation really allowed us to go out and learn more about this beautiful country we're living in."*

**Suzie**

**Tameeka**

*"I though I was prepared for the extreme change that comes with moving to a new country, I was wrong... they were so supportive and really made the transition as seamless as possible. Not only did they ease us into the Vietnamese culture, they also provide us with real, in-class teaching experience in Vietnamese classrooms that I just wouldn't have received with just an online teaching certificate."*
