# FAQ

Why would i pay for an internship?

Teaching overseas can come with its risks. You can 'do it yourself' but this can come with mistakes and problems. Purchasing an internship comes with guarantees, ensuring you get what you've paid for but also the security of knowing that you are working with an extremely knowledgeable and supportive team. By paying for an internship you avoid the horror stories, black-listed schools and ensure you have an amazing experience. And you make back what you spent on the programme within your first month!

How long can I go for?

The internship is 9-12 months long. It could be that you want to extend the internship or use it as a spring board to explore other opportunities in Vietnam. Do it! On top of this, we can help you find future employment in other locations around the world too!

You'll have a single room in a Vietnamese-style house or apartment sharing with other teachers and will pay a \$30 per month contribution to bills. Accommodation for couples can be arranged too but needs to be dsicussed..

Can i apply with a friend/partner?

Absolutely! Let us know and we can work with our in-country team to get you all placed together

What will the accommodation be like?
